

SCHOOL DISTRICT NO. 22 (VERNON) MANAGER OF MAINTENANCE

School District No.22 (Vernon) invites applications for the position of Manager of Maintenance whose main focus will be planning and managing maintenance operations for school district facilities. Reporting to the Director of Facilities, this position is responsible for the efficient implementation and management of maintenance programs and services, including coordinating and overseeing the activities of a variety of resources including unionized staff, contractors and consultants.

The ideal candidate will have a diploma, trades qualification, or a degree related to construction or facilities management along with significant experience in facilities leadership, construction and maintenance management in a unionized environment.

A complete job description is available on the district website www.sd22.bc.ca. Resumés, including references and a statement of your leadership philosophy must be received by the undersigned by **noon Monday, March 30, 2020**. Please include a reference from your current supervisor.
