New Opportunity

SD No. 8 (Kootenay Lake) seeks a self-motivated, organized, innovative, creative, collaborative and dynamic Manager of Information Technology. Under the direction of the Secretary-Treasurer, the Manager of Information Technology plays a vital role in ensuring our vision, mission and values are executed. In this Information Technology role, the Manager of Information Technology:

- Supports effective use of technology to maximize twenty-first century student learning;
- Ensures each student is provided with a welcoming, caring, respectful and safe learning environment that respects diversity and fosters a sense of belonging;
- Provides exceptional technology service management for the district and strong human resources management for Information Technology staff; and
- Plays an active role in fiscal and asset management for Information Technology in the district.

Responsibilities

- [see detailed job description](#)

Specific Candidate Qualifications

- Bachelor's degree in computer science or relevant post-secondary education, or equivalent of education and work experience.
- Minimum of 5 years of relevant experience, preferably in a public sector or large complex organization.
- Considerable experience and success with integrating new technologies and methodologies into a large organization.

Salary

The recruiting salary range for this role is \$89,376 - \$111,721. When determining salary, years of education and experience will be considered. Further details would be discussed in a personal interview. SD8 No. 8 (Kootenay Lake) also offers a competitive benefits package and pension.

Application Process

Only applications submitted through Make a Future at <https://buff.ly/3Xyao65> will be considered. The first review of applications will be September 17, 2024, and the posting will remain open until filled.

For more information, please contact Cathy MacArthur, Secretary-Treasurer at stoffice@sd8.bc.ca

School District 8 supports equity hiring for Indigenous applicants.

****If you are experiencing any technical issues with your application process to contact Make A Future's customer service line as HR cannot upload or assist with these types of issues. We also cannot accept documents via email such as cover letters/resumes/transcripts/teaching reports via email as they do need to be part of the employee's Make a Future profile.***
