Leadership Opportunity – Superintendent of Schools

As a result of the retirement of the incumbent, the Revelstoke Board of Education is seeking an exceptional leader to serve as our Superintendent/Chief Executive Officer, effective August 1, 2026.

THE SCHOOL DISTRICT

In the spirit of respect, truth, and reconciliation, the Revelstoke Board of Education acknowledges the traditional territories of the Ktunaxa, Secwépemc, and Syilx Okanagan peoples – the Nations on whose lands we live, learn, work, and play. We are honoured to thrive on this land in support of the families and children who look to us for a positive future.

Nestled along the Columbia River and framed by the Selkirk and Monashee Mountain ranges, Revelstoke is a community of remarkable natural beauty and distinctive character. Our district serves 1,100 learners in three elementary schools and a single secondary school, all located within Revelstoke. The Board of five trustees has a history of effective governance and is supportive and engaged.

People are our strength. As a district we capitalize on the longstanding and constructive relationships with the Revelstoke Teachers' Association, CUPE Local 5150, the district leadership team, parents and the Board. The district enjoys superior student success and enviable Dogwood Diploma completion rates. The community and parents are rightfully proud of our school system and actively support our work. The district has an annual budget of \$22,000,000 and employs approximately 150 staff. The district values and respects the early-years sector, recognizing that early learning is a shared community responsibility.
